WSPC Update

New Addition to Courts

I am pleased to let you know that we now have locked boxes with pickle balls in them on the courts at Pineridge and Lincoln Park. I hope to eventually have first aid kits added to the boxes and ice packs. These boxes and locks were purchased with money collected from Western Slope Pickleball Club (WSPC) Members and are the first in a number of projects approved by the WSPC Board to put members' dues and contributions to work. The benefits from these projects will be enjoyed by the entire Pickleball community including non-Club members.

The combination to the lock is **BALL**. Additional important points will be posted on the website shortly.

Squeegees

Grand Junction Parks and Recreation Department has purchased a couple of squeegees from monies donated at the Taco Bell Tournament, one for the West Courts and one for the East Courts. We are pricing replacement

rollers for the Lincoln Park East courts Squeegee and I will be checking the two at Pineridge to see if the rollers need replacing as well.

Other Notes

The Board has been working hard on the Bylaws and the Website for WSPC is under construction and looking great! We will let you know when it is ready to view.

Henry has changed the Facebook page to Western Slope Pickleball Club so it corresponds with the WSPC and the Website.

Thanks to everyone that helped by either working or bringing snacks and refreshments for the fall Sweet 16's!

Happy hitting, see you on the courts!

Brenda Furnace
WSPC President

Tao Time

Tao's Drilling Schedule is updated regularly and emailed to members. Contact George Gerson with any questions or requests to schedule a drilling session with Tao. Picture above shows Tao Thongvahn during the 2016 Taco Bell Tournament.

Sweet 16 at Lincoln Park Courts

Details on next page.

Coming Soon....

Info Provided by **Diana Alpert**

The website has taken longer than planned, but it will be ready soon! A huge THANK YOU to Tracy Dvorak-Marshall with Mozaic Technology for her invaluable expertise in helping me develop the website.

Lots of really good things ahead!
