WSPC Update

Info from WSPC Board Meeting

WSPC Championship Tournament

George Gerson informed WSPC Board that 70 players registered for the April 1 tournament. Jen Teta organized the event with expert planning & ideas. Helpful volunteers are working with Jen, referees are trained and ready for the championship games, and the club is looking forward to its first pickleball championship.

Pine Ridge Courts Update

The City of GJ held a neighborhood meeting in the Ridges on March 9 for a discussion of the tennis courts. Several pickleball players attended along with tennis players for a presentation of potential court layout ideas. No set outcome was decided, the matter is still under review.

Lincoln Park Barn

WSPC worked with Lorie Gregor to create window coverings for the Lincoln Park Barn windows to cut down on the glare during pickleball play times. Players definitely noticed the difference and were happy with the results.

WSPC Membership Renewal

WSPC members are due to renew membership on June 1 for our 2nd year. The membership year runs from June 1 through May 31. The Board worked with Chris Kopanos of Nexgen Promotions for item ideas for the membership rewards package.

New WSPC Board Members

Bill Schapley is now the WSPC Treasurer, handling all WSPC finances and providing complete financial documents for monthly Board review.

Jan Kerr has agreed to be Social Chairperson, bringing ideas for future club get-togethers and working on the Club Social on April 1st. Jan is planning some club get-togethers at ball games, and reviewing various schedules to pick some possible dates.

Enjoy the sunny pickleball weather!
