

**Western Slope Pickleball Club
No April 2020 Meeting Due To
COVID-19 Restrictions**

Summary of email correspondences:

Jeffrey Smith, WSPC President notified all WSPC Board members by email on April 07, 2020 of the meeting cancellation. A May meeting will be determined by Jeffrey when and if COVID-19 guidelines are relaxed. (emails on file). Jeffrey requested Officers email any reports to all Board members.

Currently as of mid-March all Pickleball Courts in Grand Junction are closed to the public.

March meeting minutes will be reviewed at the next WSPC meeting.

Officer's reports by email:

President/Jeffrey :

1. Follow-up to J.D. Robb State Park proposed pickleball courts- Project has been tabled due to lack of support from the State Parks administration. (email dated 03/24/20 from Pete Firmin, Park Manager on file).
2. Jeffrey will notify Board members of next WSPC Board meeting.

Treasurer/Beth: Financial reports ending March 31, 2020 were submitted. These reports will be reviewed/discussed at the next scheduled meeting.

Membership & Communications/George:

Total Members as of 04/06/20 = 377

New Members = 134

Renewing Members = 244 (74%)

George suggests (given current conditions, and not knowing when pickleball play will resume, or how soon after that the Club will begin holding events) that we delay the annual membership drive which would normally begin in April.

Extension of the current 2019-2020 membership should be considered until play returns to a normal schedule. A subsequent email discussion indicates the Board would agree with George's suggestions. Follow-up at next scheduled meeting.

Outreach/Brian:

1. Follow-up to PROS Task Force applications – our 2 applications (Brian & Jeffrey) plus 40+ other applications are currently delayed with the COVID-19 impact. The City Council is reviewing the applicants selection and the consultant groups proposals. The goal is a May or June kickoff.

Social/Anna: Anna reports the \$100 refund for the Christmas venue deposit has been mailed to George for deposit in the Club account. All Club social events are on hold until further notice.

Bruce/24 Road Clean-Up: Bruce's planned date in April was not doable. He did police the area on April 06 and filled 4 trash bags.

No Other Officer Reports.

No date for future WSPC meeting at this time.
